

The property tax millage rate in Beaufort County, SC, varies depending on the specific location and type of property. However, as of recent data, the general millage rate for primary residences in Beaufort County is around **0.2281 per \$1,000 of assessed value**. This means that for every \$1,000 of a property's assessed value, you would pay approximately \$228.10 in property taxes for a primary residence.

For second homes or rental properties (classified as non-owner-occupied), the millage rate is higher, generally around **0.5081 per \$1,000 of assessed value**.

Additionally, municipalities within Beaufort, such as the city or town, may have additional millage rates. It's always a good idea to check with the local tax assessor's office or the Beaufort County website for the most accurate and current information. Please verify with your chosen South Carolina real estate closing attorney or financial advisory.
